An Information Disclosure Statement was submitted for the captioned
application on March 16, 1999.

A Search Report from the European Patent Office for an application that
corresponds to the above-captioned U.S. application was completed on January 17, 2002.
The Search Report cited references that were not included in the previously submitted
Information Disclosure Statement. The references are listed as References AA - AN on the
enclosed PTO Form 1449. A copy of each reference is provided for review by the Examiner.
The European Search Report is the first citation of these references in any communication
from a foreign patent office in a counterpart foreign application, which was not more than
three months prior to the filing of this paper.

No representation is intended that a complete search has been made of the prior art or that no better art references than listed below are available. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in §1.56(b).

This Supplemental Information Disclosure Statement is submitted pursuant to 37 C.F.R. § 1.97(d), and is accompanied by the above statement pursuant to 37 C.F.R. § 1.97(e)(1) and the fee set forth in 37 C.F.R. § 1.17(p). A check for the amount of \$180 is enclosed. If additional fees are required, the Commissioner is hereby authorize to charge such a fee, with reference to our matter number 304980-67214, to our Deposit Account No. 10-0435.

It is applicants' belief that no petition is required for consideration of the references. However, if a petition is required, applicants hereby petition for consideration.

Respectfully submitted,
BARNES & THORNBURG
